Dear Paula,

Thank you for submitting a revised domestic homicide review report for Nottingham ('Lottie') following the Quality Assurance Panel's feedback.

I am grateful to you for carefully considering the issues raised by the Panel as outlined in the letter of 5 April 2019. I was especially grateful for the letter you enclosed with the revised report which provides important additional information in relation to some of the Panel's observations.

We have carefully considered the revised report and we are satisfied that all matters have now been addressed. We are content for the report to be published and it would be helpful if you could provide us with the URL to the report when it is available by emailing us at DHREnquiries@homeoffice.gov.uk.

On behalf of the Panel, I would like to take this opportunity to thank you, the chair and other colleagues for the considerable work that you have put into this particular review.

Yours sincerely

Charlotte Hickman
Chair of the Home Office DHR Quality Assurance Panel
